## The University of Memphis **HOPE Scholarship Course Repeat Form**

Initials/Date \_\_\_\_\_

The Tennessee Student Assistance Corporation (TSAC) TELS Policies and Procedures allows for a student to "repeat one course and utilize the higher of the two grades in the calculation of their HOPE GPA." according to rule 1640-1-19-.12-.14. This is a **one-time** only option and this form serves as the application to exercise this option. The following rules apply to the repeat option:

- > If a student lost the HOPE due to a low grade point average at the 24,48,72,96,120 hours attempted check point, and then retook a class that helps them meet the grade point average requirement at that check point, then the student may regain the HOPE immediately as long as all other eligibility requirements have been met.
- > If a student chooses one course that they retake after the check point (for example, you are replacing a grade from Spring 2011 with a course you are retaking in Fall 2011 and you reach a check point after Spring 2011) then you may not regain the HOPE until you reach the next check point and meet all other eligibility requirements.

Please go to www.tn.gov/<u>CollegePays</u> for all of the HOPE Scholarship rules.
