## The Mississippi Alliance for Women in Computing:
Lighting the pathway for girls and women in Mississippi

Friday, April 7, 2017
12:30-1:30 PM

Dr. Sara Lee
Assistant Clinical Professor & Director of Undergraduate Studies
Department of Computer Science & Engineering
Mississippi State University (MSU)

About the Speaker:

Sarah Lee is an Assistant Clinical Professor and Director of Undergraduate Studies in the Department of Computer Science & Engineering at Mississippi State University (MSU). She brings software development and project management experience to the classroom from 19 years in the Information Technology Division at FedEx Corporation. Her research interests include intervention strategies to increase the pipeline of underrepresented groups in computing majors, and human and social aspects of software engineering. Sarah received her bachelor's degree in computer information systems from the Mississippi University for Women, her master's degree in computer science from MSU, and her PhD in computer science from the University of Memphis.

Reception in Dunn Hall 336 - 1:30pm
